Ms. Johnson:

Thank you for providing this additional information. Unfortunately, Secretary Zinke is not able to accommodate a meeting. I'm very sorry we couldn't make it work. Scott Cameron (copied) works with our Assistant Secretary for Water and Science, and he is happy to take a meeting on the Secretary's behalf. If that's agreeable, please work directly with him to arrange a date and time. Thank you.

Good morning:

I write to request a meeting for Mandi Nay, Director of the Montana Dry-Redwater Regional Water Authority on any day, March 20, March 21 or March 22, 2017.

Mandi is traveling from Circle, Montana to Washington, DC to attend the National Water Resources Association Federal Waters Conference. She would very much like 15 minutes to see the Secretary and her former Congressman to further their conversation about the DRWA's work with the Bureau of Reclamation.

Please let me know if you need any further information. With best regards,

Jennifer Johnson
