Zach,

Just wanted to share with you how sincerely thankful we are for all that you, along with the folks at Harvey Mine, did to put together a truly incredible event. I don't think it could have gone any better. Admittedly, I got a little teary eyed a couple times just seeing how happy your folks were to have the Administrator in the facility and how humbled he was to be there. We cannot thank you enough. Everything was exceptional from the construction of the platforms, to the unwavering patience for our many requests and logistical changes and finally to the best part - the underground tour.

Would you be willing to kindly send good contact info for Jimmy Brock, Rachel Gleason, Chuck Shaynak, and David Aloia.

Thank you again. Look forward to our next visit.
