College of Medicine,
Cincinnati, Ohio.

Dear Dr. Schradin:

I have your letter of December 20th in connection with your proposed visit to Brunswick, Georgia to examine [REDACTED] at Kingsland.

I am quite sure that December 27th will be an acceptable date and would suggest your arranging accordingly.

I am advising Mr. Harvey, our agent at Brunswick, that you will call upon him at that time and I am sure he will render you every assistance possible.

Yours truly,

JCD/S
