ed. It is seen the side edge remove the top I would

able to and re-edges wo sec of a dull it down. e table of plastic by the s heavy it body. the four

corners and seams together in the shape of a box top.

Q.—We have just moved into a house with an L-shaped living room and I cannot decide how the furniture should be arranged to give the room a feeling of unity. The dining room is separate so we do not need to use the living room for dining purposes.—C. R.

A.—This type of room offers many interesting decorating possibilities. You can arrange the all part to make a separate study area, or a music room with a piano and radio-phonograph, or as a television room.
