Norristown Magnesia & Apg. Company
Norristown, Pa.

Dear Mr. Burgstresser:

As you know, I have been endeavoring to get a group together to discuss Careycoel and had originally expected to hold a meeting on June 5.

This seems to be impossible and am now working on a meeting the week of June 17.

I will get in touch with you later about a definite date.

Very truly yours,

Donald Tulloch, Jr.,
Manager.
