Re: Combustion Engineering, Inc. Documents

Dear Mr. Carter:

In response to your correspondence of April 24, 1998 to Ruth Antinone, I am enclosing the documents you requested in that letter. These are the quality control documents in the possession of Arter & Hadden referred to in Combustion Engineering, Inc.'s responses to discovery in the Ohio cases. If you have any questions, please contact Ruth or me.

Very truly yours,

A handwritten signature in black ink, appearing to read "Martin H. Lewis".
