Mr. R. E. Keller
Manager of Applied Science
Monsanto Company
1700 South Second Street
St. Louis, Missouri 63177

Dear Mr. Keller:

As authorized by your letter of July 21, 1969 I have purchased the fencing materials for the fence that will enclose the Soil Poison test located on the Austin Cary Forest.

Your company (directed to your attention) will receive an invoice direct from Koppers Company for the 28 fence posts. A copy of the delivery slip, No. 301578 is enclosed herewith.

I paid cash for the one roll of barb wire and a copy of the receipt, No. 58171 is enclosed herewith. I will appreciate your reimbursing me in the amount of \$7.54.

By copy of this letter to Mr. J. M. Magner I inform him that I expect the fence will be installed within the next 30 days.

Very truly yours,

J. B. Huffman
Associate Professor
Wood Products Technology
