*"It's lucky
the floor is Valsparred"*

VALSPAR is known as *"the accident-proof varnish,"* because it protects floors, woodwork and furniture against all sorts of things—steam, ice water, hot greases, ammonia, vinegar, and even strong acids.

Valsparred floors, woodwork, linoleum and furniture are so easy to keep clean. They can be washed with soap and warm water without the least injury. Your bathroom, nursery, kitchen and pantry can be kept clean and sanitary if you use Valspar. Valspar is easy to apply and dries hard over night.
