Dear Mr. Morrish,

We wish to apologize for our delay in responding to your request concerning information on the asbestos content in ZONOLITE® 3300.

In response to your request, please be assured that there is no asbestos in ZONOLITE® 3300. ZONOLITE 3300 is a blend of portland cement, light weight insulating vermiculite aggregate, and bonding and reinforcing agents. There is no asbestos used in the manufacture of ZONOLITE 3300.

We trust that this is the information that you have requested; should you require any further information, please do not hesitate to contact me.

Yours sincerely,

BM/sp

B. Mees,
Marketing Manager.
