Norristown Magnesia & Asbestos Co.

Dear Sir:

Your letter of February 12, addressed to the attention of Mr. Kieselbach, to which was attached copy of your price book page IN-14, has been received and carefully noted. Just as quickly as the License Agreement between our companies is executed, we will prepare a special price book page reflecting all of the terms of the License Agreement and issue this page to the trade in our regular manner.

We will send you copies of all such releases at the time it is sent out from our Headquarters.

My understanding is that there are still a few points to be settled between our Patent Department and your company in regard to the exact wording of the License Agreement, after which time the Agreement will be executed.

Yours very truly,
JOHNS-MANVILLE SALES CORPORATION
