Gentlemen:

We have been advised by Dr. L. V. Cralley of our Pittsburgh Office that he has arranged for us to order directly from you reprints listed in the Industrial Hygiene Digest. We are, therefore, attaching a list of articles for which we desire reprints. This list covers the last several issues; in the future, we will send in our requirements on a monthly basis.

Will you please cover any charges with a duplicate invoice marked for the attention of the writer.

Very truly yours,
