VICTOR PRODUCTS - CHICAGO

INTRA-COMPANY COMMUNICATION

SUBJECT

DATE October 5, 1982

TO

R. Budovec

cc: R. Norman

Please note the attached letter just received from Hollingsworth & Vose.

As I informed you as far as I know the Armstrong Cork Co. is now attaching some form of label to their products and we (D. Reda) felt this presented no problem nor did we feel at that time (a year ago) we wanted to take any action to label our's.

Hollingsworth & Vose is a volume source to Victor where Armstrong is not. Perhaps you wish to reanalyze this entire matter in view of what is taking place in any industry dealing with asbestos.

Please let me know if I can provide any additional information.
