BEAUTIFUL backgrounds make happier hours within your home! White, tile-like woodwork, spotless and immaculate. Colorful, harmonious walls.

Use Silkenwhite Enamel for your woodwork and the result is a shining, glossy or rich semi-gloss surface, as desired. Fullerglo will give a satin-like effect for walls and woodwork in bedrooms and kitchens and is easy to apply. Use Washable Wall Finish for a velvet-like surface for walls. A number of delicate tints to select from.

Get the Fuller Painting Books from your dealer and select just the tones you desire for each room. If the job is a big one, consult a master painter. It's amazing what paint will do. It can be made to flood the room with brightness or make cool and inviting interiors—a few cans of Fuller paint. Then, lo! How your interiors are transformed.
