Mark,

Thank you very much for the additional information and we look forward to this event. I've reached out to our team and will get back to you soon if we have any suggestions on attendees.

I've also copied Millan Hupp, Director of Scheduling/Advance, and Tate Bennett, Associate Administrator for Public Engagement, on this message. As the event approaches, they will reach out to set up a call to discuss in greater detail.

Thank you!

Dear Hayley,

Thanks for your kind reply. We want to do all possible to make this an enjoyable and productive evening for Mr. Pruitt; thus, we very much welcome your questions and any suggestions. We are seeking some 40 participants three slots for Mr. Pruitt and staff, five for Members of Congress, five for media (in the attachment you will see we have filled four slots) , two “experts,” to include a commitment from the Heritage Foundation, and 27 business folks. (As an example, Bruce Thompson, the president of AXPC, whose board Mr. Pruitt visited earlier this year, will be with us.) I send personal emails to the invites with the attachment as background on the evening. Most of the invitations have gone out . If you would like to suggest any invitations for Members of Congress, the media, experts, corporate or association executives, or whoever, I would be delighted to do so . Or, if you have any questions whatsoever for the evening, please do not hesitate to let me know

It will be an honor to have Administrator Pruitt with us. I thank you very much for helping make it possible.

Kind regards,

Mark

Hi Mark,

Thank you for sending. Can you clarify your invitation process and if this is what you have mocked up as of now or if this has actually gone out and to whom?

Dear Hayley,

First of all, I want to thank you for all you are doing with Rick Shelby to facilitate Administrator Pruitt's participation in our upcoming Salon. Please find attached an updated description of the evening. We also just heard that an expert on environmental policy from the Heritage Foundation will be with us.

Second, please do not hesitate to contact Rick or me if you have any questions or suggestions for the evening.

Kind regards,
