

UNION MANAGEMENT MEETING
MAY 21 1963

OLD BUSINESS

1. Subject: Dowtherm fumes and smoke still in Dowtherm control area.

Action: Management stated that this program has been started, and will continue until this situation has been corrected.

2. Subject: Union still requests some kind of top for trucks in mold and raw material area.

Action: Management said they haven't found anything that will hold up, however they will use something cheaper to put on each time it rains.

3. Subject: Dust situation on No. 2 Line still bad.

Action: Management stated that one train has been observed with dust on it. Since that time there has been no report of trains with dust.

4. Subject: Some kind of turn-table for work benches in mold department.

Action: Management stated they will look into this situation.

5. Subject: Pull down shield for mold department.

Action: Management will look into this also.

6. Subject: Extend rail in mold department.

Action: Management said this will be done.

7. Subject: End cut off saw in flatware finishing department is too dusty.

Action: Management said this will be corrected in the very near future.

8. Subject: New batch irritates the skin of some men.
Action: Management stated that the new formulation should not irritate the skin any more than any other formulation we have used. A protective cream should be used by men if their skin becomes irritated.

NEW BUSINESS

- July 15
1. Subject: Many requests for another time clock at the gate house.
Action: Management said that another time clock would be installed in the gate house just as soon as the parking lot is completed.
2. Subject: Still some complaints about stale cakes and pies.
Action: Management will look into this.
3. Subject: Running of sweeper on weekends.
Action: Management will check on this situation.
