

- 1113 Future Construction. No permit shall be granted for the construction or operation of any additional sewage treatment plant in DuPage County, except for interim facilities in the event of a demonstrated emergency, that does not conform with the principles of the Regional Program described in Section 1108 of this Chapter, or that is of capacity so small as to create an insignificant risk of inadequate treatment, according to the policies expressed in Rule 1101 of this Chapter.
- 1114 Other Regulations Preserved. Nothing in this Part shall relieve any person from the obligation to comply in all respects with any existing or future regulations, including but not limited to the water quality standards and implementation plan for streams in DuPage County.
