Aurelia,

How about the 12:15 time?

As to Scott, I have made three runs at him (we've known each other for years) and he has declined, deferring to your department.

I think that our group will number ten to 12 folks. I can get you all the names and affiliations as we get closer to the date.

Thanks.

Dave,

It's a pleasure to meet you. I'm available at any of those times and welcome to do a

joint meeting with Scott Cameron. If he's open to that, and there's a time that works for him, let me know. Thank you.

Dave,
with my pending departure I think it best if you had a meeting with Aurelia Skipwith

from the FWP hallway. She's leading our efforts for Fish and Wildlife issues.

Scott and Jason:

First, please forgive my violation of protocol by writing to you jointly. But I have, what I hope is, a good reason.

The National Habitat Planning Coalition (HPC) will be in DC for agency and Congressional meetings April 10-11.

On Tuesday, April 10 I would like to request a meeting with both and/or each of you and the National HCP Coalition team (approx. 8-10 folks).

As you might imagine, the group will be interested in both funding, policy and practice issues relating to the expansion of HCPs especially given the now proven beneficial nexus between infrastructure and advance mitigation as provided by HCPs.

I hope this works for you, as a meeting with you for the group would be a highlight of its spring visit to Washington.

They are already scheduled to be in the Interior HQ building for another meeting from 11:00am-noon on Tuesday, April 10.

Thus, the noon-1:00 period on Tuesday, April 10 would be perfect for either a single 30-minute meeting with the two of you together, or two separate meetings scheduled for 30 minutes each.

They are also available between 8:00am and 9:30am on that day.

Thank you for your consideration of this request.
