

earned if a good-size area can be screened in with inexpensive materials. Larger dogs may need barrels of chain link or other

get along with less expensive equipment in the beginning. But you can't expect a man who doesn't have a good ladder, saw,

sets. A sampler of the varieties of the varieties. This is applied which are join the use of clamp grips unnecessary to be positioning the the edges and wood.

The wood trim cut with a sash been applied, slight overhang torn. It can be razor and then

SPRING FLOWERS atop a room divider provide color inspiration for this young homemaker. The unique "windows" in the Color Harmony Guide enable her to visualize just how her new wall paint color will give new appeal to the furnishings she already owns. Copies of the Guide are available on a free loan basis from Sherwin-Williams dealers here.
