To clarify, some members of other staffs that I need to speak with are out until 4/20. Therefore, I propose to deliver the draft plan to you and Nick COB Friday, 4/21 in order to give me time to contact them and clarify their comments. I was told we could ask for an extension on the 4/19 deadline for Nick depending on the comments we received.

We agreed to extend comments until end of today, however, if you need to contact staff(s) for clarification of their comments and they are out of office as I understand your note. I would propose delivery of draft plan by COB Wednesday.

Thanks,

Greetings, the draft review plan was shared with staff from other director areas last week. I understand that the reply due date was extended until COB today. Given that, and that members of other WO director groups are unavailable early this week for consultation on their comments, I propose to deliver the Draft Review Plan to you COB Friday, April 21. Please advise. Thank you, LM
