Dear Jim, (if I may make so bold),

Two things. The first is that your reply to Rennie is a literary masterpiece. I should have been very proud to have couched such a concentrated and effective criticism in such courteous phraseology. Everybody to whom I have shown the letter is loud in its praise.

I enclose a copy of my own reply. If between us we do not get a satisfactory bite I propose to take it straight along from there, friendship or no friendship.

With congratulations and warm regards,

Bruce Hunt
