Memo To: DISTRIBUTION

From: C. Bickum/
C. Patenaude- BBH

Subject: SAFETY INSPECTION-DECEMBER

Date: January 17, 1985

A safety inspection was conducted on December 14, 1984.

The attached Inspection Work Sheet notes unsafe conditions observed.

Please note any items which are marked as your responsibility and initiate corrective action ASAP.

Any actions to be taken, other than suggested, should be brought to the attention of the Safety Committee.

Thank you.
