Ryan,

Please see the attached invitation for Delta Council, Delta Wildlife, and Delta F.A.R.M.'s "Roll Call for Recess on the River", a two day educational tour about some of the opportunities and challenges in the Mississippi Delta such as agriculture, conservation stewardship, community development and economic development, water resources, and infrastructure/transportation needs.

Our session in 2017 will be held on August 22-24 centered around Burke's Land Company in Coahoma County, where we will have lodging for the guests and transportation to the tour sites.

We hope you can join us! Please respond by Monday, July 10th, if you plan on joining us so that we can hold a spot for you. If you reply that you can tentatively attend, we will follow up with more specific information, including a detailed itinerary and agenda at that time.

Thank you for your friendship and we hope that you can join us. Reply information is on the invitation, but you can respond with your availability to Frank Howell (fhowell@deltacouncil.org) or Shelia Smith (ssmith@deltacouncil.org) at 662-686-3350. We hope to see you in August and appreciate your friendship to the Mississippi Delta.
