RE: LPSD Water Sample Analytical Results

Dear Mr. Cox:

Attached are copies of the analytical results for water samples taken on October 31, 2000 from three LPSD wells and the LPSD Building main water line.

Two sets of results are provided because the samples were analyzed using two different methods.

If you have any questions or need additional information, please contact me at (304)863-4271.

Sincerely,
