Oh bummer! What are our options during that period?

1. We could come over to EPA on Sunday, April 30th—after our morning Board meeting (or he could come to our Board meeting anytime that morning. :))
2. Our President, Vps and Treasurers and I could skip out from the meeting and come over.
 1. Before we start on Tuesday, say from 7:45-8:15.
 2. Almost anytime during Tuesday, including lunch time.
 3. Wednesday am.

Let me know. Thanks.

We are very much enjoying DC! Unfortunately the first part of May is looking like it won't be a possibility. However, if you and a handful of senior members would like to come to the office to meet with the Administrator, we would welcome that! I'm sorry we are not able to make the speaking engagement happen though.

Thank you!

Sydney—Thanks for getting back to me. I know the air office and intergovernmental office at EPA have both supported the Administrator's participation at our meeting. Our members are very interested in meeting the Administrator and hearing the agency's plans going further. I'll wait to hear back.

P.s. I hope the Hupp sisters are enjoying Washington, D.C. I read

Hello Sydney—

I am following up on an invitation we sent to Administrator Pruitt several weeks ago to deliver the Keynote or Luncheon address at our annual meeting on Monday, May 1 in Washington, D.C. Our association represents the top governmental air quality officials in the states and localities throughout the country. We expect about 150 governmental officials attending.

I am re-sending the transmittal letter (along with our recommendations on the CAA) requesting his participation at our meeting. I look forward to hearing from you shortly. Thanks.

Hello again—

I was hoping to nail down a mutually convenient time before the Administrator's schedule becomes totally filled. Monday (May 1) is fairly challenging, but not impossible. Better times are provided below. How about a short Sunday (April 30) morning visit to our Board of Directors/Committee Chairs? Thanks.
