Dear Dr. Edgar:

We have received your file with relation to the case of Mr. [REDACTED] at Lawrence, Kansas. I feel that perhaps a telephone conversation with the physician who made the diagnosis would be the most satisfactory way of handling the case. I also feel that perhaps Dr. Kehoe would prefer to have this conversation with Dr. Jones, I shall, therefore, take no action and await Dr. Kehoe's return so that he may handle it as he wishes.

Very truly yours,

LWS:is
