Attention: Mr. F. E. Hawkins

Subject: Your Letter dated December 18, 1979

Gentlemen:

Thank you for your subject inquiry. Unfortunately, we must decline to quote as we do not manufacture equipment that will meet your specifications.

For your general reference, we have enclosed an equipment list which briefly describes our offerings.

We appreciate your interest and will look forward to your future inquiries where we can be of service.

Very truly yours,

Robert G. Schneider
