DATE June 13, 1949.
SUBJECT Change in Date and Time -
Board of Operators Meeting
DICTATED BY

To All Members of the Board of Operators

Because a number of the Members of the Board of Operators will be engaged in another meeting on Monday, June 20th, we are postponing this meeting to Monday, June 27th.

On June 27th, it will be necessary for several members of the Board to leave Cleveland on an afternoon train, therefore, we would like to have the Board of Operators meeting begin at 9:30 on the morning of the 27th.

If we are unable to complete the work of the Board by noon, we can have a recess at that time and complete the Board meeting in ample time for the Board members to make their train connection that afternoon.
