Re: **3M Company -- Additional Information
On Perfluorinated Materials**

Dear Charlie:

Pursuant to our earlier discussion, I am enclosing an analytical report from 3M's environmental monitoring program which has only just become available. 3M provided the study plans and other information regarding this program under cover of the May 4, 2000 letter to you from Biff Weppner.

Please do not hesitate to call with any questions.

Very truly yours,

Julia A. Hatcher
