Dear Administrator Pruitt:

I am writing to request a meeting for and Jeff Shellebarger, President of Chevron North American Exploration and Production Company, during his upcoming visit to Washington on Wednesday, July 26, 2017. Mr. Shellebarger would like to follow-up on your conversation in March with him and Chevron Chairman and CEO John Watson, to further discuss regulatory reform and Chevron's presence in the United States.

Mr. Shawn Rusterholz will be in contact with your office to schedule a meeting and can be reached at (202) 408-5837 or [srusterholz@chevron.com](mailto:srusterholz@chevron.com). Thank you in advance for your consideration of this request.

Sincerely,
