Subject: Economic Impact of Brownfields Redevelopment - TN Report
Attachments: brownfield-paper-10-23-2017.pdf

All

Last week in Charleston I mentioned a report recently prepared by our Department of Economic and Community Development about brownfield redevelopment in our state and the positive economic those sites now have in our community. Attached is a copy of the full report , and below is a link to where the report can be found on line. The second link is to our transparent TN website which tracks key metrics of each of our state agencies. ECD has put the results put forth the brownfield metrics on their site.

Good to see all in Charleston. Henry, good to see you in DC the week before !

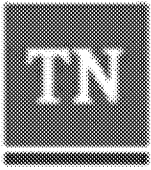

Many thanks
Bob
