Thank you. Depending on your questions, I can send materials for your review in advance of the call.

Thomas I am available anytime after 1pm on the 19th. If that doesn't work, please propose a time on any of the following: 10/23, 10/25, 10/26, 10/27 .

Thank you for your note John.

Let's try for the 19th or a time after that. I've included Thomas Garcia who can assist in finding a time. Thanks.

Aurelia:

Thanks so much for the time yesterday with you and Greg. As promised, please meet John Gans, our NE field rep and the lead on our menhaden work. He can give you answers to your questions about the different options, the science behind menhaden management, what option E means relative to current harvest rates, and lots more.

John, I gave Aurelia your background memo.

Thanks again.
