

1 Q So for the two months that you were there,
2 was Mr. Vandergucht there the whole time?

3 A Yes.

4 Q And as foreman, was he there before you?

5 A Oh, yeah.

6 Q And when you left, was he there after you?

7 A He was there after I was.

8 Q Now, during the time that you were at the
9 Northern School, Northern High School, did you have
10 occasion to work around any other trades?

11 A We worked around electricians, carpenters
12 and they had pipecoverers there, too, covering the
13 ceiling, wrapping the duct and all that stuff.

14 Q Sir, was this the kind of stuff --

15 A We had Dots cement people there, that was a
16 concrete panel and when the corners would be broke
17 off, they would settle in place and plasterers had to
18 fix all of these up with a small tool.

19 Q You called them Dots concrete?

20 A That was the name, Dots Block, they were
21 located out at Philadelphia Road there.
