NATIONAL INSULATION MANUFACTURERS ASSOCIATION

441 LEXINGTON AVENUE · NEW YORK 17, N. Y.

November 11, 1963

TO THE GOVERNMENT TECHNICAL & RESEARCH COMMITTEE

Re: Notice of Meeting

Gentlemen:

A meeting of the NIMA Government T & R Committee has been scheduled as follows:

Date: Wednesday, December 4, 1963 - 9:00 A. M.

Location: Marriott Motel
Twin Bridges (Across 14th St. Bridge)

The Agendas for the Meetings will be as follows:

Marine Agencies Session

1. Section 12 - Maritime Basic Specifications for Cargo Ship Construction (Heating & Ventilating Section)

2. Coast Guard Requirements for Hull and Pipe Insulation Aboard Ships

Land Agencies Session

1. Proposed Revision to Federal Specifications HH-I-523 (Insulation Block & Pipe, Thermal, Calcium Silicate, for Temperatures up to 1200 F)

2. Proposed Federal Specifications for Insulation, Thermal, Mineral Fiber (For Elevated Temperatures) (For Low Temperatures)

Please advise whether there are any other items you wish included on the Agenda.

Will you complete the attachment pertaining to attendance and return it to the NIMA office at your earliest convenience.

Sincerely yours

J. M. Barnhart
