VCM Exposures

CONFIDENTIAL

Per our discussion on October 27, please meet with us:

When: Tuesday, November 2, 1976
Time: 11:00 a.m. (after FSP Staff meeting)
Where: No. 1 Conference Room

I would like to review the attached letters from D. E. Deese and L. J. Kunke and also get your thoughts on our recent performance regarding VCM exposure. As you know, several maintenance, operating and technical people have been exposed to VCM exceeding the permissible level in the past several weeks.

Thank you for your interest and help.
