

YOU want big chunks of untried real estate, you will investigate the State Lands. In nine sample northern California counties Mariposa, Mendocino, Grey, Napa, Nevada, Santa Clara and Sonoma there are more than 640 acres vacant. Land, however, is sold in parcels, the smallest between acres all the way to complete 640 acre section. Minimum costs for most of school land is \$2 an acre, property within a national reservation has a minimum of \$5. It is all land granted by the Federal Government California and revenue from its sale or lease goes to support public schools. Purchase is by cash bid—in an auction—and high man out. Information on the procedure, as well as lists of available land in thirty-eight northern counties, can be obtained by writing the State Lands Commission, 1403 Twelfth Street, Sacramento 14.
