Dear Doctor:

Under separate cover we have again forwarded specimens of blood and urine for [REDACTED]. He has not had a lead check for several months, as you know, and he has not been working in a lead hazardous area. We are desirous of obtaining the results of the analyses of these recent specimens of blood and urine.

Kindly favor us with your report in signed triplicate together with a single bill.

Fraternally yours,

John J. Stanton, Jr.
