Dear Randall Rayle:

On February 6, 2025, the U.S. Environmental Protection Agency, along with the Florida Department of Environmental Protection (FDEP), conducted a CEI at Invincible Boat Company located in Opa Locka, Florida to determine the facility's compliance status with RCRA and applicable regulations.

Enclosed is the EPA RCRA inspection report which indicates that deficiencies of RCRA were discovered during the inspection. A copy of this report has been forwarded to the FDEP for follow-up and further review.

If you have any questions regarding this matter, please contact Kayla Acosta, of my staff, by phone at (404) 562-8451 or by email at [acosta.kayla@epa.gov](mailto:acosta.kayla@epa.gov).
