Subject: RE: Extended Due Date for Responding to EO - Promoting Energy Independence and Economic Growth

Paul,

After careful consideration and our conversation, we believe this is the appropriate response to focus on energy. We are identifying all the activities related to climate preparedness and response for resource management not related to energy and minerals development. We do not think we need to identify these activities as they are related to our mission, are not prohibited by this EO, and do not impede energy development.

Attaching our limited edits.

Subject: Extended Due Date for Responding to EO - Promoting Energy Independence and Economic Growth

All,

The reply due date for responding to the above EO has been extended to COB, April 17, 2017.

Thanks,

Paul J.
