Dear Dr. Kehoe:

We are attaching a letter received from the Gulf Refining Company at Philadelphia, which we intended to pass on to you before. However it became mislaid and did not come to light until now. We have written our apologies to Mr. Crocket of the Gulf Company and advised him that the matter has been referred to our Medical Department for further handling.

Yours truly,

Ethyl Gasoline Corporation,
Carneys Point, N. J.

Dear Sir:

We wish to have two additional men examined by your
physician to be approved for the mixing of Ethyl Gasoline.

We should like to have your physician make these exam-
inations on Wednesday, February 6th, 1935, if this date is convenient
for him.

Will you please advise if this can be arranged?

Very truly yours,
