Dear Samantha,

I would like to invite you to be a speaker at the Portland General Electric Board retreat on Tuesday, June 6. Portland General Electric is a vertically integrated investor owned utility serving approximately 850,000 customers in Western Oregon. We were hoping that you would speak to our board from 9:30 am – 10:30 am at The Hay-Adams Hotel, 800 16<sup>th</sup> St. NW. We will be in the Concorde Room.

Our board would welcome hearing your insight on this Administration's direction and vision for the Environmental Protection Agency. Topics that would be of particular interest include institutional reform – including efforts to streamline permitting processes, regional accountability to headquarters and consistency across regions; any insight on superfund issues including the recent delegation memo; and issues that impact energy providers – including where things stand with the Clean Air Act and carbon regulation.

I would greatly appreciate you joining us. To confirm your attendance or if you have any questions, please reach out to our Director of Government Affairs and Environmental Policy, Sania Radcliffe, at 503-869-5320 or at [Sania.Radcliffe@pge.com](mailto:Sania.Radcliffe@pge.com).

Sincerely,

A handwritten signature in black ink that reads "Jim Piro".
