PRIVATE NO. 158.

8th April, 1949.

The Manager,
Australian Blue Asbestos Ltd.,
WITTENOOM GORGE.

Dear Sir,

TOWNSHIP. Rents. We will forward a letter to the Premier of Western Australia setting out reasons why we consider that the rentals should not be increased to 35/-. We would say, however, that if it is finally decided that the increased rental must be charged, then we agree that it would pay us, for the present at least, to subsidise the rental to some extent in order to avoid having the district allowance raised on all employees. If, therefore, you are advised that the increased rental must be charged, please advise us, together with a suggestion as to what subsidy you consider we should pay.

Yours faithfully,

[redacted]

Managing Director.
