Hi Aurelia,

I hope this finds you well. Just circling back to confirm the meeting with the Western Utilities Group next Wednesday, April 10<sup>th</sup>, at 9 AM. The updated/final attendee list is as follows:

Kathy Yhip-SCE  
Tim Blumentritt-Arizona Public Service  
Braileigh Jay-WAPA  
Kirstie Reynolds-San Diego Gas & Electric  
Sarah Ball EEI

There is no formal agenda but as previously discussed the purpose of the meeting is to discuss NPS lands' right-of-way access issues. Please let me know if you have any questions or if anything changes on your end that would affect your ability to meet on the 10<sup>th</sup>.

Many thanks in advance.

John

Hey Aurelia,

Thank you again for making the time for this meeting. Confirming 9 AM on April 10<sup>th</sup>, but if anything changes on your end let me know and I'll do the same. For the meeting topic it's pretty straightforward - namely discussing utility ROW access issues on National Park Service lands.

For attendees there will be 3 to 4 Western Utility Group (WUG) attendees, and at this point can confirm the following - Kathy Yhip from Southern California Edison (who is the Chair of WUG); Tim Blumentritt of Arizona Public Service (who is the 1<sup>st</sup> Vice-Chair); and Braileigh Jay from WAPA (who is the 2<sup>nd</sup> Vice Chair). As WAPA is part of the "federal family" Braileigh needs approval to participate in the meeting and is seeking that now but is likely to be authorized to attend. I will confirm that and potentially one other attendee once I hear, but definitely in advance of the meeting. Additionally, either my EEI colleague Sarah Ball and/or I will attend to help facilitate the discussion.

Let me know if you have any questions on any of this.

John

Hi John,

Thank works for me. Could you please provide a list of attendees and the topics they want to discuss? If I could get that a week in advance that would be great. Thank you.

Hey Aurelia,

Hope your week is going well and you survived yesterday's storm! For the meeting in on April 10<sup>th</sup> with the Western Utilities Group could you do 9 AM? Let me know if this doesn't work for you.
