Re: SWEPI LP, Permian Basin Facility in Texas;
Administrative Compliance Order on Consent, Docket No. CAA-06-2020-3428.

Dear Ms. Tiesman:

On August 27, 2020, SWEPI LP (“SWEPI”) entered into an Administrative Compliance Order on Consent (“AOC”), Docket No. CAA-06-2020-3428 with the United States Environmental Protection Agency (“EPA”) to resolve certain alleged violations of the Texas Administrative Code, which had been adopted into the Texas State Implementation Plan. Pursuant to the AOC, SWEPI agreed to specific requirements as outlined in paragraph 30 to be completed within 180 days of the AOC Effective Date (i.e., no later than February 27, 2021).

EPA has received and reviewed your final letter report, required under AOC paragraph 30.c., of all work completed under the AOC, dated February 18, 2021. Upon review, EPA hereby confirms that you have completed all requirements under the AOC satisfactorily. Should you have any questions regarding close-out of this AOC, please contact me Brandon Bammel at bammel.brandon@epa.gov or (214) 665-8545.

Sincerely,

Darrin Larson
Chief
Air Enforcement Permitting Section
