Dear Mr. Wheeler:

Enclosed is a copy of the transcript of your deposition taken in New York on December 9, 1987. I ask that you carefully review the transcript, giving special attention to the content, accuracy and completeness of each statement, as well as impression of each statement left with the reader. Please feel free to make any modifications, corrections or changes directly on this copy and supplement your answers wherever necessary.

I will give you a call on February 1, 1988 to go over the necessary changes to the transcript. However, should you have any questions or comments prior to that date, please feel free to contact either Robert A. Bunda, Esq. or me at your convenience.

Very truly yours,

Peggy A. Whipple
