Tom,

We won't need hotel security on the call. Our detail team will coordinate with them as the event gets closer.

I am available this afternoon, tomorrow morning, any time Wednesday or Friday as well.

Please let me know what works for you.

Thank you,

Millan Hupp

Hi Millan,

That's great news! Happy to discuss security concerns with you. I may need to consult with the hotel for specific questions, if there are any questions/requests you can send me now, that would be helpful to review. What is your availability this week or next for a call to discuss further?

Thank you ,

Tom,

Thank you so much for following up. Yes, we would like to go ahead and confirm the Administrator's participation in this event on February 1 (still in the 9 – 930 range?). May we follow up with you on Monday or Tuesday?

In the meantime, please do not post online or publicize in any way. We have various security concerns we would first like to discuss with you.

Thank you very much,

Millan Hupp

Hi Michael and Millan,

I hope all is well. Doing some clean-up work before the holiday craziness, wanted to follow up with you regarding Mr. Pruitt joining us for the M&A Symposium? Did you get a chance to confirm internally?

Thank you ,

Tom-

Just left you a message. I work in EPA's public affairs office, and was trying to reach out about an invitation to the Administrator to speak at S&P's Power and Gas M&A Symposium.

It would be great if we could hop on a call later today and discuss some logistics behind the

event. Do you have any free time today?
