Subject: I need principled conservative opinions, Kenneth

Kenneth,

I've been speaking with many of your fellow conservatives over the past few months about the state of our country, one year after the 2016 election. I've realized that many Americans believe that there are several important priorities left to be accomplished. I'd love to hear your opinion on the pressing issues of **immigration and amnesty, welfare reform, and the repeal of Obamacare.**

Would you take just a few minutes to give me your opinion?

Onward!
