Wagon and Implement Paint.

At a moderate cost this paint will help to preserve, and will certainly improve the appearance of Farm Wagons, Implements and Tools. If your implements are worth anything they should certainly be kept in good condition and not allowed to deteriorate any more than a house or barn. This paint is easily applied and can be used by any farm hand or boy.

'Tis easier to copy than to originate. Would-be competitors are recognizing the superiority of our product, imitating them as they now do, they render us valuable service, and at the same time advertise their own incapacity. 'Tis the best that is imitated.
