Subject: RE: Note to Communications Committee - Shell stakeholder engagement on SHS

Lauren, looks good to me. The only changes that I made was to (1) change Shanghai Benzene Study to Shanghai Health Study and (2) insert "consortium" in front of talking points at one place.

Regards,

Patsy

Subject: Note to Communications Committee - Shell stakeholder engagement on SHS

Dear all:

A few months ago, the communication committee asked us to provide an overview of its approach toward NGO engagement on the SHS. I have developed the attached and would greatly appreciate your review and input to this document before I send to the communications committee.

Note: I am very tardy in writing/sending this document.

Best Regards,

Lauren
