Subject: Economic Analysis Regarding Kigali Implementation

Bill,

Hope you are well. You had expressed interest in receiving our economic analysis on the impacts of Kigali ratification and implementation. We are now ready to brief you on that and to follow-up on our last conversation. We would welcome the opportunity to meet with you in the very near future to review. Is it possible to find an hour in your schedule between now and the end of next week for a meeting. We would like to brief you and your colleagues before we discuss with Congressional members and staff. We are currently scheduling with other Departments and agencies as well.

I will contact your scheduler directly as well.
