RE: 1363274 (P4765-939)

Dear Mr. Anderson:

Enclosed you will find citations for violations of the Occupational Safety and Health Act of 1970 (the Act) which may have accompanying proposed penalties. Also enclosed is a booklet which explains your rights and responsibilities under the Act. As indicated on page 2 of the booklet, you may request an informal conference with me during the 15-working-day notice of contest period. During the informal conference you may present any evidence or views which you believe would support an adjustment to the citation or the penalty.

If you decide to request an informal conference, please complete the form at the bottom of this letter and post it next to the citations immediately after determining the time, date, and place of the informal conference.

If you have any questions about the enclosed citations and penalties, I would welcome further discussion at the informal conference; and, where warranted, I am authorized to enter into an informal settlement agreement with you which amicably resolves this matter without litigation or contest. If you have any questions regarding the informal conference, please contact me.

Sincerely,

Gerald A. Baty
